# About

Hi, my name is Yuliia.
I am studing Front-end-Development
at "Noroff" Bergen, Norway.

Here I want to share my work
that I have completed so far.
You can find my contacts below.

I like to learn programming
languages, design
and to apply them in practice,
using my creativity, imagination
and knowledges.
I hope that my portfolio- website
gives a good impression
of me and my skills.
Thank's for visit.
